OBJECTIVES OF THE CONFERENCE

Sustainability" and "Digitalization" are two critical dimensions of today's world that will decide much about the future course of action for the whole humanity.

This has led us to the theme of the international conference i.e. Sustainability and Digitalization. It is an enthusiastic attempt to inspire, encourage and support the scholars belonging to diverse fields to present and share their research work with the academic and marketing fraternity.

The research works presented in the conference are expected to enlighten the stakeholders with various findings related to the field of sustainability and digital transformations. The participants will be able to get acquainted with existing and potential sustainable business practices across the industries align with potential status of Digital India, related challenges and sustainable solutions. The forum will facilitate interaction among stakeholders inside and outside their respective disciplines to enjoy the fellowship of other professionals and scholars in the field.

Sustainability and Digitalization

Ensuring a Sustainable and Equitable Future post pandemic

I sincerely thank the leadership of Jamia Hamdard, our chief Patron and mentor Prof Afshar Alam (Hon'ble VC) for guiding us in organizing the 1st edition of the International Conference. Our collective global efforts to create a sustainable, equitable, clean, and green planet is the need for today. I look forward to continue my efforts of making sustainable development a globally shared goal.

Prof Shibu John (Dean, SMBS, Jamia Hamdard)

I believe the conference will be offering us a platform to share our findings related to Sustainability and Digitalization to the global community. I am grateful to the administration of Jamia Hamdard to support us in organizing our 1st edition of the conference. I am also thankful to ICSSR, Suslence Research and congratulate the organizing team to plan such an interesting and important topic of discussion. I look forward to have these kind of events on a regular basis where we would discuss sustainable development which needs to be a globally shared goal.

Dr Syed Nadimul Haque (Head, Department of Management, Jamia Hamdard)

I would also like to highlight that SMBS, Jamia Hamdard, ICSSR and Suslence Research are consistently working to ensure energy and resource security, foster sustainable development and combat climate change. I am proud to note that this edition of our conference brings to all of us, the news of growing voices from across the globe and recognizing the opportunity arising from the current crisis to build more resilient economies, better prepared than ever for creating green, sustainable and resilient world, ensuring an equitable future through Sustainability and Digitalization.

Dr Asad Ahmad – Convener

The conference will act as a platform to reach out to the global community via exclusive features such as, Plenary Sessions, paper publications, awards, and various exhibitions on clean and green technologies. I welcome all the participants in the 1st edition of conference. I congratulate the management of Jamia Hamdard, ICSSR and the entire team for putting together such a thoughtful event and I look forward to initiatives under the conference and the future editions of this annual event, which will continue to nudge the world to come together to take urgent action for making this world a better place.

Anna Khan, CEO Suslence Research

EDUCATIONAL EXCELLENCE AWARDS

INTEGRATING SDG-4 :
BEST PRACTICES TO ACHIEVE EDUCATIONAL EXCELLENCE

VISION OF THE AWARD

TO PROMOTE
EXCELLENCE IN
HIGHER
EDUCATION

SUSLENCE
Educate Motivate Grow

Suslence Research Educational & Teaching Excellence (SR ETE) Awards:

The Suslence Research individual awards for Teaching Excellence have recognized exceptional educators, faculty members and teachers in all disciplines, SR ETE Awards recipients are honoured for their remarkable achievements in education and for their commitment to preparing their students for a digital and innovation-based economy. The SR ETE celebrate outstanding Science, Technology, Engineering, Management, Arts and Mathematics educators that help develop the culture of innovation India needs today, and in the future.

Suslence Research Education Lifetime Achievement Awards

This award recognizes excellence in education over an extended period of time. Nominees should have at least 20 years of experience and the focus of the application portfolio will rely more on examples of innovation and testimonies of impact. While the Rigour criteria will be more difficult to document, preference will be given to nominations which illustrate a contribution to the craft and status of the teaching profession.

Suslence Research Educational Excellence Awards (SR EEA), 2022

Conceived and initiated by Suslence Research aimed at identifying and felicitating excellence, research, industry outreach, reputation and exemplary work in the higher education Sector. The robust evaluation carried out by our team of expert jurors aims to underline the quality of assessment process and authentic efforts put in by the applicants.

Suslence Research Awards for Future Leaders

The Award is presented to an individual working in an organisation, who has shown exceptional promise and made a significant impact. The individual has spent less than 5 years in the Learning and Development industry.
